

LabelFlow Pro

Getting Started - Account Setup & Subscription

Follow these steps to download LabelFlow Pro, create your account, activate your subscription, and log in.

1. Download LabelFlow Pro

Go to **LabelFlowPro.net** and click **Download**. Once the download finishes, open **LabelFlowPro.exe**. LabelFlow Pro is a digitally signed Windows application.

2. Create Your Account

In LabelFlow Pro, click **Create Account**. Enter your email address and create a password, then click **Create Account**.

3. Verify Your Email

Check your email for a verification message from **LabelFlow Pro** and click the verification link. If you do not see it, check your Spam or Junk folder.

4. Log In

Return to LabelFlow Pro. Enter the email address and password you just created, then click **Log In**.

5. Start Your Subscription

After logging in, click **Subscribe - \$15/month**. Your browser will open Stripe secure checkout. Enter your payment information and complete checkout.

Your free trial begins immediately. You will not be charged the \$15 monthly subscription fee until your trial ends. You can cancel before the trial ends if you decide not to continue.

6. Return to LabelFlow Pro

After checkout, you will see the **Payment Successful** page. Return to the LabelFlow Pro application and click **Refresh**. Your subscription should show **Subscription: Active**. You are now signed up and ready to use LabelFlow Pro.

ONE COMPUTER PER ACCOUNT

Your LabelFlow Pro account is registered to the first computer you activate it on. Each subscription can be used on one computer at a time. If you replace your computer or need the activation reset, contact LabelFlow Pro support.

Need help? Contact LabelFlow Pro support if you have trouble creating your account, verifying your email, subscribing, or logging in.
